I feel so much more at home! From, Barry*

The Krol House experience has been amazing and something I have never had as a part of my life before. It's great to see so many caring people come together to create a home for me and my friends. Thank you so very, very much for caring. Love, Maverick

*Thank you for the beautiful house and its wonderful features. It has a better atmosphere and ways to fill our time. It has given me a chance to be a more responsible person. Once again, thank you so much.
Love, Mike*

Thank you for making the Krol House. You guys did a great job. It's good for us to look forward to. To move forward in life, this is the house to come to. Thank you so much, Sam

When you come to our house you don't see a program, you see young men as a family working with each other and being happy. It makes me feel good and safe with staff and peers and it makes me want to take care of myself. Thank you a lot. Love, Naim
